

Sherrill J Lehman

March 2, 1956 - April 5, 2025

Thirty-five years ago a family moved into Beecher. In this family was a woman that would effortlessly touch the hearts and souls of our community.

On April 5, 2025, surrounded by loved ones holding her hands, our dear Sherrill Jeanette Lehman (Carlson) peacefully left us to be with Jesus and her loved ones who passed before her.

Sherrill is survived by her loving husband Jack Lehman; two daughters Michele (Mark) Panozzo and Jacqueline (Tim) Grubermann; 5 beautiful grandchildren, Trevor and Brittney Panozzo, Emily, Daniel and Steven Grubermann; 3 siblings, James (Marjean) Carlson,

Sandy Carlson and Amy (Scott) Martin; 4 nieces, Cara, Caylee, Casey Carlson, and Skylar Martin; nephew, CJ Martin; a great nephew and niece: Carter and Bella.

Sherrill started her career working at the hospital in Dyer. She then continued her career at

Good Housekeeping Magazine at One South Wacker as the office manager. After her second

daughter was born, her career as the Beecher School Bus driver began and continued for 22

years. She also drove for Youth for Christ and even dabbled in limo trips here and there.

Sherrill a wife, a mother, a grandmother, a sister, an aunt. She was nothing less than a kind

soul. She loved people the way Jesus calls us to love people. A stranger was never a stranger.

Once you meet her you became family and were welcomed into her heart and home.

Leaving

no one out, always making sure their happiness was her happiness. There was never anything

too small or too big that you couldn't count on Sherrill to help with. If your child had the pleasure

to call her "Bus Driver" then your child became her child enjoying every route, every field

trip,

every sporting event for 22 years. Sherrill cared for these children long after they graduated high school.

The love Sherrill had for people and our community will live on in all our memories.

In lieu of flowers please make a memorial donation to the family for a future memorial bench that will be located at the high school.

“ *The second time I met Sherrill she called me her sister. All I did was live next to her daughter. But she became my sister. Which you can always use another sister. What a loving, smiling, kind daughter of God. I wish I met her sooner. But I will cherish the moments I got, from, My Sister. Rest in peace my sister.*

“ Sherrill was always available to help wherever and whenever needed, and she did it with a smile. She was my daughter's bus driver to Peotone Jr. High and she always stopped in to chat when she brought my daughter home. She was kind. She loved to laugh. She loved to talk about her family and how proud she was of her two daughters. She was a faithful believer and loved the Lord. I'm so sorry for your loss, I know you will miss her every day. But you know that now she is happy and whole, with the Savior she loves and I pray that gives you a measure of comfort.

What a lovely tribute to an amazing women who died to soon and will be greatly missed by all that knew her. She had a bubbly personality and a sense of humor that could light up a room if you ever knew her. She will be missed and always remembered. Gone to soon.
