“ I am so sorry to hear about your loss. He was a great friend to my mom Fran. She thought of him as a son. She passed away in March and I believe they are spending time together again. I saw a picture in your tribute of Nick with my mom it touched my heart. They will both be greatly missed.

“ To Sherry and family I am sorry for the loss of your dear husband and father. From the many expressions Nick will not be forgotten, neither does God forget those who have fallen asleep in death. That's why we are given the promise at John 5:28,29 it says ; "the hour is coming in which all those in the memorial tombs will hear his(Jesus) voice and come out."

“ My sincere condolences to the Markobrad family. I worked with Nick at the ASTM F14 Committee on Fences where he succeeded me as chairman. No one was more dedicated to the fence industry to which he brought his knowledge and integrity. He will be missed.

“ I am wholly saddened to hear of Nick's passing, and offer my prayers and grief for his family. Nick and I were friends thru School in Zion and group of friends in years after. I've lived in Georgia for the last 10 yrs but saw Nick at Church last year when I visited family up North. I had followed him with amazement through his recuperation.. That guy didn't know Quit. What an inspiration, A kind man, A good friend, a Gentle Giant.. I remember one time when we were in our early 20's Me Nick and Julian Summers were horsing around in the Markobrad Pool, Nick picked me up and threw me into the back yard. I landed hard and got up mad, but there was Nick laughing and I had to laugh too.. I thought I weigh 220 lbs. how did he pick me up high enough to do that? He had natural strength (It's a Markobrad thing) And a wonderful sense of humor. His dad was a man I looked up too and as a man who valued hard work he would have been proud of Nick. I Trust I'll get to see him again some day. .

“ Went to grade school and then high school with Nick. No finer a human being. My sincere condolences to Sherry and the entire Markobrad clan. Nick was the pitcher on our summer soft ball team. The world needs more "Nick Markobrads." Rest peacefully my friend. See you later on that baseball field Nick!
