“ I'm saddened to learn of Sue's passing. We worked together at Suburban Heights and she was a wonderful person to be around, always smiling and happy. After I had a surgery, Sue made a complete dinner and brought it to us in Lowell. My prayers go out to her family.

“ We can only imagine how difficult this has been, and our hearts go out to you and your family. You are so young to have to suffer such an incredible loss and while time is a healer , I know that's of little consolation now. Even though we can't physically be there please know that our hearts and prayers are with you always.
