“ *With sympathy,
Asking God to comfort you and us all. I go back to the age of 14 or so with bill. He was and still is my Best Friend. We lost contact in the 1980's for about 4 years or so when I moved to dallas, but was able to track him down thru a mutual friend in 1988. So, now comes our loss of contact again, but we will meet again my Friend. He was like an Uncle To my Daughter Kristina Also.. She is 20 yrs. old now. Until then, we miss you. Love Always, Paul Cosenza.*

*No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love Him.

“ Sherry, Bill may have left this world and entered his heavenly one but he will never be gone from your mind and heart and all those whose lives he touched. His warm smile will always be remembered and the way you loved and took care of him throughout his life. Rest with Jesus now Billy. You fought the big battle. I will always remember the 3 of us growing up by grams. My love to Bobbi and all of you at this time and always.
