“ I have to smile when I think of Brian. When we were all in High School, I remember him always walking around in his shorts (loose by the way) and flipping that hair. I think a lot of us had a small crush on him. He would have his guitar too. I also remember how he would torment his little sister Carol. He would burst into her room and punch her and say “come on” I’ll just leave it there. Hahaha. We thought he looked a little like Robert Plant of Led Zeppelin. He likes that too. I know he’s rocking out now in Heaven. He will be missed by many.

I am saddened by his death, but at Rich East he was a bully to many including me. I hope changed over time. RIP You are forgiven.
